

Qualified vendors for multifunction copy/print/scan hardware, service and supplies.

## Notice Inviting Proposals

### Central District Health: RFP 2022-04

Central District Health is seeking proposals from qualified vendors for multifunction copy/print/scan hardware, service and supplies; user usage tracking software, and service and supplies for current networked printer fleet.

Proposals will be accepted via online responses through Optimizon until Thursday, April 28, 2022 at 3:00 PM Mountain Time. **For access codes to the online RFP system and a copy of the RFP invitation, contact Lisa Kitamura, Optimizon, [lkitamura@optimizon.com](mailto:lkitamura@optimizon.com).**

If you wish to be considered as a potential supplier by Central District Health, you must fully complete the online Request for Proposal as required.

Central District Health reserves the right to reject any and all proposals and to waive any irregularity therein.
